

Verbal Path for the Formation of Letters

Sometimes it helps children to say aloud the directions for “making” a letter. This “verbal path” helps them to understand the directional movement that is essential. In addition, it gives the teacher and child a language to talk through the letter and its features. Here, we suggest language for creating a verbal path to the distinctive features of letters.

Lowercase Letter Formation

a — pull back, around, up, and down	n — pull down, up, over, and down
